- European Researchers' Night awarding of local winners
- April 14, 2024 awarding of national winners

Contacts: [info@quantumweeks.it](mailto:info@quantumweeks.it)

### Awards

The winners of the local selection will be awarded during outreach events such as the Researchers' Night held at the various locations. The winners of the national selection will be awarded during a national event to be held on April 14, 2024 in conjunction with World Quantum Day. The best entries from the 2022 and 2023 editions of the competition will be displayed in a national exhibition in 2024.
